

Rooms (Core) - Bug #2

Unable to promote to moderator

03.05.2020 12:55 - Adrian S

Status:	On Hold	Start date:	03.05.2020
Priority:	High	Due date:	
Assignee:	Adrian S	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
If a room is set up with the "Require moderator approval before joining" option, users cannot be promoted to Moderator after they join the meeting, they can only be made Presenters. If the option is not used when setting up the room or toggled off after it is initially set, users can be promoted to Moderator or made Presenters.			

History
